CONTRACT FOR SEVEN PROPANE FUEL DISPENSING STATIONS

Please be advised that we are in the process of bidding out a contract to construct seven propane fuel-dispensing stations at the following locations throughout the County of Los Angeles:

<u>FACILITY</u>	<u>ADDRESS</u>	<u>CITY</u>	<u>ZIP CODE</u>
Maintenance District 1	14747 East Ramona Avenue	Baldwin Park	91706
Maintenance District 3	5530 West 83rd Street	Los Angeles	90045
Maintenance District 4	11282 South Garfield Avenue	Downey	90242
Road District 232	4055 Marine Avenue	Lawndale	90260
Road District 416	14959 Proctor Avenue	La Puente	91744
Road District 514	3916 Dunsmore Avenue	La Crescenta	91014
Road District 556	27624 Parker Road	Castaic	91310

Southern California Air Quality Management District (AQMD) will fund approximately \$198,333 or 33 percent of the cost for these fueling facilities through a Mobil Source Air Pollution Reduction grant. The remaining balance of \$396,667 will be paid from the Road Fund. All locations were strategically sited to support a growing fleet of propane street sweepers designed to improve air quality and comply with AQMD Rule 1186.1 regulations. These fueling facilities will be accessible to other County departments with propane based fuel vehicles.

Since some of the proposed locations of these fueling facilities are within your respective District, we are soliciting any questions or concerns you may have regarding this project and respectfully ask for a response by **September 27, 2007**.
